MEMORANDUM FOR: Chief, Plans, Programs Branch, DD/P&M
SUBJECT : Office of Security Assistance to Other
Government Agencies
REFERENCE : Memorandum from Acting DD/P&M of 24 July
1974, Same Subject

In response to referent memorandum, I have attached four items which I feel should be considered in the context of Headquarters [] Not all support is provided by the Special Security Center, and this fact is so noted. All of the items, however, relate to support in the compartmented intelligence security field; therefore, it was reasoned that the Special Security Center could probably speak to these subjects with the greatest degree of competence.
